RE: Actions in Response to COVID-19
Docket No. 2020-106-A

Dear Ms. Boyd:

By letter dated May 22, 2020, Dominion Energy South Carolina, Inc. ("DESC" or "Company") informed the Public Service Commission of South Carolina ("Commission") that DESC has decided to take measured steps as it returns to a more normal approach to work and that it would reintroduce its employees to the workplace in three phases. Phase 1 was implemented on May 11, and Phase 2 was implemented on June 8. As for Phase 3, which focuses on those employees who can perform their job duties remotely and who do not have an immediate need to return to the office, the Company informed the Commission that this phase would be implemented no sooner than September 8, 2020. The purpose of this letter is to inform the Commission that the Company has extended its Phase 3 implementation date.

The Company is mindful of the continuing spread of COVID-19, and after reviewing public data and consulting with health professionals, the virus is still a serious threat. DESC's top priority is protecting the health of its employees, customers, and communities. To that end, DESC is extending its current approach to working remotely until January 4, 2021.

If you have any questions or need additional information, please do not hesitate to contact us.

Very truly yours,
